	Document: WWFMG-POL-001 FSC® Commitment Policy	Last Revised: 11/29/23	Version: 2

WhiteWood Forest Management Group (WWFMG) LLC is committed to the mission of promoting long-term responsible forest management strategies that improve the health of forest and freshwater ecosystems while increasing economic development in the communities where the forests they manage exist. WWFMG supports and adheres to the Forest Stewardship Council® (FSC®) Principles and Criteria. The company will strive to work with its group members and other interested parties to meet or exceed the FSC-US Forest Management Standard. WWFMG provides member services to small private forest landowners in SC and GA providing economic, conservation, and community benefits to the members of WWFMG.
